WINNIPEG, Oct. 10—It looks like Hon. R. B. Bennett,
as the new leader of the Conservative party in Canada.

Ferguson Supporters Do Not Care to Release Him From The Party Leadership

Sold and Serviced all over the World-

This is a great advantage when you buy The Humphrey Radiannire. Should it ever be necessary to obtain repair parts, you can get them from Radiannire Dealers in practically every hamlet, town and ciry in America. Quickly, too. Here is an exclusive advantage of Radiantire's that should make it the unanimous choice of every family... certainly your choice. Other exclusive features are clean, odorless, durliess, amokeless heat, lower cost of operation, plus 90% of the heat generated coming into the room

NOT QUITE GOOD ENOUGH

country should be networked with branch zailways; that what is really required there is a system of highways travered by motor trucks. The claim is that the motor truck would give for remute settlers in the Peace would give for remute settlers in the Peace with the control of the control of

Railways wrong, but that the directors of the two transcentinental railway systems are also wrong. The National Railways and the C. P. R. Co. are building branch railways through a score of other districts in the West where motor truck transportation has been more or less in use for years and where-the conditions for operating trucks are quite as favorable as in Pence River.

month there are not to be the same quite as favorable as in Peace River.

Mr. Dunning farmed in Saskatehewan for a good many years, and must be supposed to have first-hand information as to what a railway means to the settler, and whether a highway is a sufficient aubstrate. Strategies are not been supposed to have first-hand information as to what a railway mean to the settler, and whether a highway is a sufficient aubstrate. Strategies are not been known to throw away money building railways where they could supply efficient service with a few motor trucks.

In the judgment of these men there is no substitute for the railway as the control of the service with a few motor trucks.

In the judgment of these men there is no abstitute for the railway as efficient service with a few motor trucks are controlled and satisfactory way. What have the settlers in Poace River done that they should be denied the railway facilities which are recognized to the same and the settlers in Poace River done that they should be denied the railway facilities which are recognized with the mention of the same to the same to a substitute of the same trucks of

Compensation

By EDGAR E. GUEST "The world's so hard," he said to me
"So filled with hurt and pein.
I would not, if the chance could be
Return to earth again.

"There nothing worth its price in hu Or sorrow or despair. The worm is happier in the dirt Than men who walk with care."

And thinking of the pain I'd know.
And all the grief I'd borne.
I'd almost moved to make my own
This croed of rage and scorn.

But then I heard my baby shout As happy as could be. Her lovely laughter ringing out Was music sweet to me.

"To life" said I. "I'm reconciled I'd gladly live again. To hear the laughter of a child Is worth its price in pain."

Do You Remember?

"GET IT AT

Overcoats of this sort do not belong in the West for they fall far short of the requirements of the climate. When you buy your Winter Coat consider how little more ney is required to secure the genuine British all-wool fabrics. Choose it right from the piece, where you can see and handle it. Have it built for you.

ously large price reduction is placed on them as the bait.

Counterfeiting Is Not

Confined to Money

T'S A BIG FACTOR in the manufacture and

sale of shoddy winter overcoat fabrics. A casual observa

tion is not sufficient to detect these sham overcoatings, for

usually the cotton and shoddy are well concealed beneath a won-

derful brushed, fleecy surface. It is worthy of note that the method

of selling these low grade overcoats is very similar in all cases

They are represented as of much higher value and then a suspici-
